Subject: Re: Draft 2017 PPMR Update

Hi, Chris.

Could you please send all of the Tables and Figures for the PPMR? I only have Table 2-1 and 5-1, and no Figures.

Regarding Attachments A, B, & C... not sure I understand; will Attachment A consist of Agency comments from Nov 2017? And Attachment C will consist of AR's response in Dec 2017 to Agency comments? Can you please send us Attachment B (AR's 2017 priority ranking)? It would also be helpful if you could send us Attachments A, B, & C from 2016 please.

Thank you,
Lynn

Hi Everyone – Please review the attached draft update to the Program Plan Modification Report and provide your comments by December 1, 2017. The final version is due by December 22, 2017.

The updates to this document include the following:

- <!--[if !supportLists]--><!--[endif]-->Language was added to document the plan for Area 40. This language was extracted from a letter sent by AR to EPA. Please edit as necessary to document the plan for management of Area 40.
- <!--[if !supportLists]--><!--[endif]-->The schedule for Area 40 was added to Table 5
- <!--[if !supportLists]--><!--[endif]-->The schedules we discussed during the September 2017 technical meeting have been incorporated into Table 5.
- <!--[if !supportLists]--><!--[endif]-->I anticipate the FCS LUC will be finalized before this document is finalized on December 22, 2017, so I have updated the status column for that site in Table 2.

Thanks, Chris
